The Chief Secretary and the Govt. Advocate were present.

× × × ×

Mr. M. C. Ramiengar (who appeared for the minor claimant) represented that Mrs Narasinga Rao Purnamma, who was an educated lady & quite capable of managing the affairs of the family, should be recognised as the Natural Guardian of the minor Jahagirdar and Manager of the Jahagir, and that some suitable person might be associated with her to assist her in the administration in the capacity of an agent.

The Jahgir of Pudukottai is perhaps an exclusive grant to a family as is singeri & a Sanad for the services rendered & recognised should be issued.

The Jahgir regulation does not provide for the administration of the Estate in the event of a Jahgirdar being a minor. This will have to be done under the Guardians & Wards Regulation. This The said Regn. vests the power of appointing guardians in a Civil Court. The questions for consideration in this connection are: (1) who may apply for the guardianship (2) who are eligible for being guardians of the minor & (3) whether it is necessary to refer the matter to a Civil Court & if so, whether Govt should take action in this matter.

Issue Sanad to Govt advocate tomorrow. HRG 2/8

MK 3/7/20

There are two aspects of this case which require consideration without being mixed up with each other. One is the question of the public administration of the Jagir the exercise of the various functions which Govt have allowed this Jagirdar to exercise hitherto either explicitly or implicitly, such as the collection

of the land revenue, the local cess, the collection of Stamp & registration revenue, the control of the police, medical & sanitary services in the area, the provision of education & so on. This is the aspect in which Govt is primarily interested as it concerns the public administration of a portion of H.H's territory affects the well being of a section of his subjects.

A second aspect is the custody & care of the minor Jagirdar & his properties, the proper management of his income & expenditure during his minority so that his interests may be properly safeguarded till he attains majority. Govt are interested in a part of this function so far as it relates to the relation of the minor Jagirdar to the administrators under the Jagir regulation & the rights of appeal are vested in Govt.

As pointed out in the Office note above the Jagir Regulation does not provide for any special action during the minority of a Jagirdar, and the guardian owards

Regulation, which is the only law under which any action can be taken, requires the intervention of the Civil Courts.

So far as the second aspect of the question above referred to is concerned, the mother of the minor Jagnidan who is the natural guardian of the minor naturally becomes the guardian of the person & property of the minor, unless the Court intervenes & appoints someone else for due reasons. There is nothing to indicate that Mrs Varanasi Punnaiya is not competent ~~to be~~ or fit to be guardian of her son & this interests & there is therefore no reason for the Court being moved by Govt. Her position as guardian requires no special recognition by Govt, except perhaps in her relation to the other annuitants so that they may know definitely to whom to apply for their annuities &c. In this view she will be the person to whom Mr Srinivasa Murti Punnaiya (brother of the late Jagnidan) should apply for an increased annuity

Proceeding next to the other aspect of the case as affecting the arrangement for the public administration of the Jagir, ~~it will not be~~ it must be stated that there will be inconvenience in entrusting Mrs Narasinga Rao Punnaiya with the direct administration of the Jagir. It will not do for instance to invest her with the powers of a Dy Commr in Revenue matters and so on.

A suitable arrangement would be to appoint an officer of good & sufficient standing - say of an Asst Commr's grade - to carry on the administration under defined powers & duties. It is perhaps better to select an officer in service rather than a retired officer for such work as ~~for~~ he will be under greater control in the former case. The selection may be made in consultation with Mrs Narasinga Rao Punnaiya. If an officer of Asst Commr's status is employed it will ~~be~~ perhaps be unnecessary to ~~fix~~ retain the present annadan of the Jagir. A budget of receipt & expenditure should be prepared

and approved both by Mrs Narasinga Rao Punnaiya & the Court of Wards should realise the income, incur the expenditure & place the surplus to the credit of the Jagirdar's guardian at a Bank or in the Court Treasury for payment to her.

In para 1 of her letter of the 31st July to Mrs Narasinga Rao Punnaiya expressing herself as agreeable to a suitable arrangement on the scheme there suggested above is considered suitable. She may be consulted & other details settled.

The other matters referred to in her letter about the annuity to her second son the divorce of her daughters & relate to the internal management the income of the estate I am not sure if Court will be well advised to interfere in them during the Jagirdar's minority. As the minor's natural guardian Mrs Narasinga Rao Punnaiya can incur necessary ~~family~~ expenditure for family purposes subject of course to the usual limitations of her position. So far as annuity to

As the mother of the minor Jaghirdar Mrs
Narasinga Rao Jumaiya has the natural right
to be the Guardian. But her rights as natural
guardian will cease on her appointment
by the Court & thereafter her rights & obligations
will be those created by the Statute. There
are no doubt certain safeguards provided
for in the G & W. Regn :-

(i) Without the permission of the Court
the guardian cannot sell or mortgage
the property of the Ward or enter into
leases for long terms & any transaction
entered into in contravention of this

NOTE—Contn. sheet.

rule is voidable at the instance of the minor on his coming of age -

(ii) The guardian has the right to apply for the opinion of the Court in regard to the management of the Wards' Estate & the Court has the power to regulate the Conduct or proceedings of a guardian in regard to the management of the Estate. The guardian can always apply to the Court for advice & directions.

(iii) The guardian is bound to keep proper accounts with regard to her dealings of the funds or property of the ward & to render the same periodically to the Court

(iv) A guardian will be responsible for the proper investment of the funds of the ward

In spite of these safeguards it is not desirable, I think that the guardian should in this case be advised by us to apply under the G. & W. Reg. for a certificate of the guardianship of the minor's property. The minor's private properties are partly in the Cochin State & partly in Mysore - If a certificate is obtained here in regard to his private properties

situated in our limits the Guardian may find herself embarrassed in her dealings with the properties in the C & M Station unless a similar certificate is obtained there also. No doubt Govt. are not concerned with the Guardian's management of the Ward's private properties. But if once a certificate is applied for it must embrace all the properties of the minor & the Guardian cannot well exclude his private properties from the scope of her application or management. It is further needless I think that the Guardian should at our suggestion be put to any avoidable expense in regard to the management of the minor's private properties in which Govt. are not interested.

In regard to the management of the Jaghir there are certain powers outlined in the Chief Secy's note which Govt. have to exercise & for obvious reasons it is Govt. more than the Guardian or the Court that have to be vigilant in the administration of those powers. A dual control by Govt. & by the Court to whatever limited extent the latter may be is not desirable. Further the jurisdiction of the

Civil Court in matter relating to the Jaghir is taken away by the Jaghir Reg^{n}; and it is undesirable that by the obtaining of a guardianship certificate jurisdiction shd indirectly be vested in the Civil Court Even though the exercise of such jurisdiction is restricted in scope to the matters covered by the C & W: Reg^{n}.

Nevertheless in the interests of the annuitants it may be desirable that there should be some responsible person during the minority of the ward to look up to for prompt & punctual payments of the annuities. Seeing that the relationship between the mother of the minor & some of the principal annuitants is greatly strained there may be both difficulty & delicacy in the matter of enforcement of payment should there be any default in that the intervention of Govt. To obviate this & other similar difficulties it is advisable to get from Mrs Narasinga Rao Durvanya a Muchilika binding herself to submit to a deduction by Govt of the annuities from the Jaghir revenues before the surplus is made over to her and

As per instructions in Council I had met Mrs. Narasinga Rao Purniah ~~on~~ by appointment and had a talk with her on the subject. She was not agreeable to the arrangements proposed for the public administration of the Jaghir.

She thinks that she must have general powers of supervision over the Jaghir as the natural guardian of the minor Jaghirdar as otherwise it will not be possible for her to ~~enforce~~ exercise the necessary wholesome influence over her son and command the respect due to her position. She is confident of her abilit to manage the affairs having helped the late Jaghirdar in such matters.

She is willing to take the advice of suitable gentlemen in cases of doubt etc. but is not agreeable to the constitution of any Board of advice or other body.

If Government is not prepared to accede to her request, she prays that before finally deciding the case she may be given an opportunity of explaining the difficulties etc. personally to the Government at an interview with the Dewan.

The question of making suitable arrangements for the management of the property of lunatics during their minority is one of considerable difficulty. Although the Lunacy Regulation like the Court of Wards Regulation does not affect the property of lunatics under the Court of Wards Regulation the Court of Wards is practically the Board of Revenue can appoint a guardian of the person of the minor & the management of the estate and can make arrangements for the education of the wards the members of their families & marriage and their maintenance. The Court has also the power to dispose of the surplus income of certain deposits made in the management of the estate & can transmit the property of lunatics exceeding Rupees to the Court of Wards. The Court of Wards can in their discretion appoint a manager to manage the estate of a lunatic if he does not think that they can dispose of the surplus income to the advantage of their descendants. Submitted to His Highness.

The question of the powers to be exercised by the Jaghirdar of Yelandur has been under discussion for a long time past. Flag A. The last representation on the subject from the late Jaghirdar Mr. Narasinga Rao Purnaiya was received in December 1918. Before orders could be passed on the subject he died in January 1920, leaving the present Jaghirdar, a minor. The question of the administration of the Jaghir during the minority of the Jaghirdar has also thus arisen.

2. The matter was discussed several times in Council and has been pending for a very long time. The Council is of opinion that a decision on the general question of the Jaghirdar's powers may be deferred and that it is sufficient at present to pass orders in regard to the management and administration of the Jaghir during the period of minority of the Jaghirdar. G Mrs. Sarasvati Narasinga Rao Purnaiya, the mother and guardian of the minor Jaghirdar, has finally agreed to the arrangements suggested, viz., that she should manage the affairs of the Jaghir on behalf of her minor son and exercise administrative control over the Jaghir, Amildar and other officials, but without any powers of control over them in respect of statutory functions and powers which will vest in the Deputy Commissioner and other Government officers of the respective Departments. A draft order was accordingly prepared and circulated, and finally considered in Council on the 12th instant E when the following resolution was passed:

"The scheme of management as indicated in the draft order (paras 3 to 8) is approved."

Draft for approval. The draft order has since been further revised with reference to the discussions in Council and it is submitted for His Highness' gracious approval.

Mrs.

3. Mrs. Narasinga Rao Purnaiya in expressing her consent to the arrangement now proposed, has made representations regarding the recovery from ryots of certain arrears of contributions and land revenue, the investment of a sum of - Rs.2,00,000 in the name of her second son from the Excise Revenue of the Jaghir, dowries to her daughters and maintenance grants to herself. The collection of arrears due to the Jaghir is a matter which will have to be taken up by the Jaghir officers and under the orders now proposed to be passed, the guardian of the Jaghirdar will have all facilities for seeing such matters attended to, and for securing the aid of Government officers whenever necessary. As regards

B her other prayers, she has been informed that the Government cannot interfere as they relate to the private family affairs of the Jaghir. She has however, in her last communication, expressed her hope "that His Highness the Maharaja will of His Royal grace direct in accordance with precedents some equitable arrangement to be brought so that no occasion may in future be given for disputes in regard to our family

F affairs" and has prayed "that Government may see fit to recommend her prayer for His Highness' gracious consideration." The representation is accordingly submitted for His Highness' gracious consideration.

4. My view in regard to this, as the lady has been already informed, is that it is inexpedient for His Highness' Government to intervene in these matters especially at the present time when the Jaghirdar is minor.

DEPT. P. P.
FILE 53-20-1

My dear sir,

As directed at the interview you were pleased to accord to me on the evening of the 26th instant I venture to submit to you my representations at the time for favour of the sympathetic consideration of Government.

(1) I beg that during the minority of my son Jagaraja Rau Purnaiya, the Jaghirdar I might be permitted by Government to look after the affairs of the Jaghir as I have been doing since the demise of my husband. I have been looking after the affairs of the Jaghir with the help of a staff appointed by my husband on which is a retired Amildar, i.e., Mr. C. Narayana Rau. If Government desire the appointment of a more responsible Assistant I shall submit for their consideration the names of some gentlemen. I shall appoint whomsoever Government may select out of the list and submit to Government whatever information they might periodically require regarding the details of management. As an Amildar has been lent by Government to be in direct charge of the Jaghir at Yelandur I trust that Government will consider favourably my request to be permitted to exercise general powers of supervision over the Jaghir as the natural guardian of my son during the period of his minority.

(2) Owing to the condition of disrepair in which my husband found all the tanks in the Jaghir he not only invested all the surplus income but also sold other family properties to restore the tanks. This has very largely prejudiced the prospects of my younger son, as his share of the family properties has been largely reduced with a view to effect an improvement in the condition of the Jaghir. It was the intention of my husband to set apart the Excise Revenue payable to him by Government until it amounted to a sum of two lakhs for being paid to

(3)

to my younger son in addition to whatever might be obtained on account of his share of the divisible property of the family. I beg that this intention of my husband might kindly be carried out by Government. As the share of the annuity to which my younger son will be entitled will only be Rs. 2,500/- per annum and will be manifestly inadequate to enable him to maintain his status as the younger brother of the Jaghirdar, I request that Government, in their grace and in consideration of the reasons given by me, direct that a sum of two lakhs of rupees may be invested in Mysore Government Bonds in the name of my younger son out of the Excise Revenue that may be due by Government to the Jaghirdar. In case the Excise Revenue now due is not equivalent to this sum I request the annual payments under this head may be devoted to this purpose until they amount to two lakhs.

(1)

(3) It has been a well known custom in our family to give an adequate dowry to the daughters of the family on the occasion of their marriages. I request that a sum of Rs. 25,000/- be directed to be paid on account of the dowry of my eldest daughter, Kamala Boye, and that a similar sum be paid to each of my other two daughters on the occasion of their marriages. I may mention that no dowry was paid to my daughter, Kamala Boye, on her marriage owing to the fact that all the available resources of my husband were utilised in the improvement of the Jaghir. I also pray that a sum of Rs. 20,000/- should be set apart for the marriage expenses and for the jewels to be given to each of the unmarried daughters. I may mention that much larger sums have been paid on account of the dowries of my husband's sisters.

(2)

I also beg that a maintenance grant of Rs. 500/- a month may kindly be given to me for life- the payment to commence after my son attains majority and enters upon the management of the Jaghir.

(3)

I trust that Government will be pleased to consider favourably the representations I have made above and pass favour-

Dated, ..15/1/21...

Madam,

With reference to my interview sometime ago with you concerning the administration of the Yelandur Jaghir, I am desired to state that Government consider that adequate arrangements should be made for the exercise of powers under certain Regulations such as Land Revenue Code, etc. in the Jaghir area with proper arrangements for the disposal of appeals, etc.

At present the Amildar of the Yelandur Taluk exercises the powers of an Amildar under the Land Revenue Code, and the late Jaghirdar was invested with the powers of a Deputy Commissioner under the Land Revenue Code.

In the present circumstances Govt. consider that the Amildar may exercise Amildar's powers as heretofore, and that the powers of appeal etc. against his orders in statutory matters should lie to a District Officer, - an Assistant Commissioner or the Deputy Commissioner of the Mysore District.

In regard to administrative matters outside express Regulations you, as the natural guardian of the minor Jaghirdar, will continue to exercise control over

Sir,

In Reply to your D.O. Letter NO 1552/C.B. Dated 12th March 1921, I have to state that I have delayed sending a reply to Mr. Balasundaram Iyer's letter as I wished to submit some representations to the Dewan in person before formally addressing the Secretary to Government on the matter. The Dewan has graciously consented to grant me an interview after his return from Mysore. I shall take the earliest opportunity of calling on him after his return and send you a reply as soon as possible. I expect to be able to do so before the end of the month and trust that Government will graciously delay passing orders till that time.

Yours faithfully.

Sir,

With reference to the Secretary's Letter No. 13.809 dated 15th January 1921 I write to express my gratitude to Government for being agreeable to permit me, as natural guardian of my miner son, - to exercise control over the Amildar in administrative matters, outside express regulations. I hope (1) that these matters will be defined in detail in the Government Order in order that my position may be - made quite clear. I have no objection for Government resuming the management of the Jahgir in regard to statutory matters although I should have preferred if Government had seen their way to permit the present system of management which has been going on for the last sixteen months to be continued. I hope I - may however bring to the notice of Government some matters relating to the Jahgir that require urgent attention (2) The large amount of money, over Rs.80,000/-, is due from raiyats on account of arrears of contribution for the restoration of tanksundertaken by my husband. Arrangements have recently been completed so as to ensure a regular collection of this large amount, and I trust that Government will see that the amount is fully collected and that the collection is in no way prej"-

will of His Royal Grace direct in accordance with precedent some equitable arrangement to be brought so that no occasion may in future be given for disputes in regard to our family affairs, and I humbly pray that Government may see fit to recommend my prayer for His Highness' Gracious consideration.
